

Job Opportunity

STEWARDSHIP TECHNICIAN

The Laguna de Santa Rosa Foundation is now accepting applications for a Stewardship Technician!

Do you want to make a positive difference in the world and get paid while doing it? Are you passionate about the natural environment and want to get your boots on the ground and hands in the soil as you help restore, enhance and steward habitats in the Laguna de Santa Rosa watershed? If so, join our team as a **Stewardship Technician**. You will get to work on a variety of habitat restoration projects planting and tending native plants and working with like-minded, passionate coworkers, and members of the local community. If you're eager to make a tangible difference in local watersheds and gain valuable experience in conservation, we want to hear from you!

- 
- Help ensure the success of our riparian restoration projects, focusing on local watershed habitat stewardship.
 - Aid in the control of invasive plant species through manual and mechanical methods.
 - Assist in the Installation and maintenance of irrigation systems to ensure the survivorship of new plantings.
 - Collect, enter, and upload project data.
 - Assist in the facilitation of community volunteer workdays.

The Laguna de Santa Rosa Foundation is a watershed-based 501(c)3 non-profit organization in Sonoma County. We work to restore and conserve the Laguna and its surrounding watershed, and to inspire appreciation of the vital wetland habitats and the plant and animal communities that rely on it.

This is a full-time (40 hours per week) position with a competitive benefits package that includes employer-sponsored health, dental, and vision insurance, accrued vacation, sick time, 14 paid holidays, two paid personal days; and participation in a retirement plan. Starting hourly pay range: \$23.00 - \$24.75 per hour.
